RFP #: 26-795-0000-00020

RFP TITLE: Housing Assessment Services

AMENDMENT ISSUE DATE: April 2, 2026

PURPOSE OF AMENDMENT

The purpose of this amendment is to provide an official response to an additional question that was not included in the original addendum submitted by potential Proposers by the inquiry deadline of March 31, 2026.

CHANGES / CLARIFICATIONS

We are providing a response to an additional general question that was submitted regarding the procurement of environmental services:

- **Question 36:** During the pre-proposal conference, the State indicated there would be a separate contract for environmental testing/services. Can the State please indicate when is the anticipated release of the environmental services RFP?
- **Answer:** Environmental services will be conducted under a separate contract. We anticipate the release to be finalized soon, whether through a new RFP or by utilizing an existing Statewide Price Agreement (SWPA). Please note that all necessary contracts must be fully established before the program can officially begin.
