I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals, in accordance with the Procurement Code (NMSA 1978, Sections 13-1-28 to -99); GSD Rule 1.4.1 NMAC, Procurement Code Regulations, if applicable; and DFA Rule 2.40.2 NMAC, Governing the Approval of Contracts for the Purchase of Professional Services, from qualified firms of certified public accountants (Offerors) to result in a single source contract to perform the audit of the State of New Mexico's Department of Homeland Security and Emergency Management (DHSEM) Annual Financial Report for the fiscal years ending June 30, 2025, with the option to renew the contract for three additional subsequent fiscal years.

These audits are to be performed in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards set forth by the Comptroller General of the United States, the provisions of the Federal Single Audit Rule, Amendments of 1996 GASB 34/35, applicable Federal Office of Management and Budget (OMB) circulars, including Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The audit must comply with New Mexico State Auditor Rule, Requirements for Contracting and Conducting Governmental Audits (2.2.2 NMAC). NMSA 1978, Section 13-1-191.1 requires prospective contractors to complete a standard campaign contribution disclosure form and submit it as part of the proposal.

B. BACKGROUND INFORMATION

The agency's financial statements consist of State General Fund and Federal Funds. The agency receives the majority of its support from the disaster and non-disaster federal grants, State's General fund, and fees.

Interested Offerors who wish to review prior year audit reports and management letters should refer to the New Mexico Office of the State Auditor's website "Audit Search" at www.saonm.org.

It is anticipated that fully adjusted trial balances and other reports will be available within 30 days after the year-end close of the system.

C. QUALIFIED OFFEROR

DHSEM will only consider proposals made by Offerors who are on the New Mexico State Auditor's approved firm list of other firms approved by the New Mexico State Auditor and placed on the New Mexico State Auditor's list. The firm selected **must** be approved, at the time of proposal submission, by the New Mexico State Auditor to provide audit services to New Mexico public entities. **A proposal will be disqualified if the Offeror is not on the New Mexico State Auditor's approved list at the time of submission.**

D. SCOPE OF PROCUREMENT

DHSEM desires the Offeror to perform the Scope of Work specified in the standard “State of New Mexico Audit Contract,” a sample copy which appears as Appendix C to this request for proposals.

The following resources will be provided to contractor personnel by DHSEM for use on this contract:

1. Necessary workspace; and
2. Access to telephone, copiers and scanner machines.

For the purpose of preparing proposals, Offerors are to assume that the majority of all on-site work will be performed at the following location:

New Mexico Department of Homeland Security and Emergency Management
13 Bataan Boulevard
Santa Fe, New Mexico 87502

The contractor will work on an as-needed basis, with no limitation on the number of trips to the on-site location.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with a State Agency which may derive from this RFP. 4. Subcontractors/Consent

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **Agency personnel will not merge, collate, or assemble proposal materials.**

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulation 1.4.1.36 NMAC.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
 1. confidential financial information concerning the Offeror's organization; and

2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA Sections 57-3A-1 through 57-3A-7.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Sections III.B.1.a and III.B.2.a.i, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The deadline of sixty days shall be based on the schedule of audit deliverables and agreed upon milestones; however, the deadline **shall not extend beyond the deadline set forth for the Agency in NMAC Section 2.2.2.9**. This requirement does not prevent the Contractor from performing interim audit work prior to receipt of the DFA notice of agency preparedness.

Reports postmarked by the Agency's due date will be considered received by the due date for purposes of NMAC Section 2.2.2.9. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with NMAC Section 2.2.2.13. If the State Auditor does not receive copies of the management representation letter, and the completed Report Review Guide with the audit report or prior to submittal of the audit report, the State Auditor will not consider the report submitted to the State Auditor.

- C. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The Agency or IPA shall ensure that every member of the Agency's governing authority shall receive a copy of the report.
- F. The Agency, upon delivery of its audit report, shall submit to the Federal Audit Clearinghouse (FAC) the completed data collection form and the reporting package described in Section 200.512 of Uniform Guidance for Federal Awards.

The submission is required to be made within 30 calendar days of receipt of the auditor's report, or nine months after the end of the audit period.

- F. The State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 70% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making such payment. Progress payments of 70% or more but less than or equal to 90% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has been made in a competent

manner in accordance with the provisions of this Contract and applicable rules of the State Auditor.

5. By the State Auditor, immediately upon written notice to the Contractor and the Agency after determining that the audit has been unduly delayed, or for any other reason.

If the Agency or the State Auditor terminates this Contract, the Contractor shall be entitled to compensation for work performed prior to termination in the amount of earned, but not yet paid, progress payments, if any, that the State Auditor has authorized to the extent required by Paragraph 3(E). If the Contractor terminates this Contract for any reason other than Agency's breach of this Contract, the Contractor shall repay to the Agency the full amount of any progress payments for work performed under the terms of this Contract.

- C. Pursuant to NMAC Section 2.2.2.8, the State Auditor may disqualify the Contractor from eligibility to contract for audit services with the State of New Mexico if the Contractor knowingly makes false statements, false assurances or false disclosures under this Contract. The State Auditor on behalf of the Agency or the Agency may bring a civil action for damages or any other relief against a Contractor for a material breach of this Contract.

D. THE REMEDIES HEREIN ARE NOT EXCLUSIVE, AND NOTHING IN THIS SECTION 5 WAIVES OTHER LEGAL RIGHTS AND REMEDIES OF THE PARTIES.

The agreement shall be an amendment to this Contract and shall specify the portion of the audit services to be performed by the subcontractor, how the responsibility for the audit will be shared between the Contractor and the subcontractor, the party responsible for signing the audit report and the method by which the subcontractor will be paid. Pursuant to NMAC Section 2.2.2.8, the Contractor may subcontract only with independent public accounting firms that are on the State Auditor's List of Approved Firms, and that are not otherwise restricted by the Office from entering into such a contract.

The Contractor shall retain the records for a period of at least five (5) years after the date of final payment under this contract. The records shall be subject to inspection by the Agency and the State Auditor. The Agency and the State Auditor shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

10. **RELEASE**

The Contractor, upon receiving final payment of the amounts due under the Contract,

releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. 12. **PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE**

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post an audited financial statement on their respective websites once it is publicly released by the State Auditor. The Contractor agrees that the FCD of DFA is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor's audit report may be relied upon during the audit of the statewide CAFR, if applicable. However DFA should not provide to any third party, other than the CAFR auditor, the draft audit report or its opinion letters or findings.

13. **CONFLICT OF INTEREST**

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

14. **INDEPENDENCE**

The Contractor represents and warrants its personal, external and organizational independence from the Agency in accordance with the *Government Auditing Standards 2011 Revision*, issued by the Comptroller General of the United States, and NMAC Section 2.2.2.8. The Contractor shall immediately notify the State Auditor and the Agency in writing if any impairment to the Contractor's independence occurs or may occur during the period of this Contract.

15. **AMENDMENT**

This Contract shall not be altered, changed or amended except by prior written agreement of the parties and with the prior written approval of the State Auditor. Any amendments to

this Contract shall comply with the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978.

16. **MERGER**

This Contract supersedes all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to NMAC Section 2.2.2.10, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). **The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this Contract. Conflicts between the engagement letter and this Contract are governed by this Contract, and shall be resolved accordingly.**

17. **APPLICABLE LAW**

The laws of the State of New Mexico shall govern this Contract. By execution of this Contract, Contractor irrevocably consents to the exclusive personal jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising from or related to this Contract.

18. **AGENCY BOOKS AND RECORDS**

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency's possession for any reason.

19. **APPROPRIATIONS**

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency's governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

20. **PENALTIES FOR VIOLATION OF LAW**

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

21. **EQUAL OPPORTUNITY COMPLIANCE**

The Contractor shall abide by all federal and state laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

22. **WORKING PAPERS**

- A. The Contractor shall retain its working papers of the Agency's audit conducted pursuant to this Contract for a period of at least five (5) years after the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the state Auditor. That submittal date shall serve as the basis for submittals required thereafter. The Contractor shall also impose this requirement on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. If one or more subcontractor does not meet the size requirement for reporting a contract award but subsequently grows such that they meet or exceed the size requirement for reporting, the Contractor shall submit the required report for each such subcontractor, within ninety (90 days) of that subcontractor meeting or exceeding the size requirement.
