STATE EMERGENCY RESPONSE COMMISSION**

Resolution of the New Mexico State Emergency Response Commission

Effective: June 14th, 2024

Subject: Inclusion of the Radiological and Hazardous Materials Committee in SERC Activities

WHEREAS, the New Mexico State Emergency Response Commission (SERC) recognizes the vital role of the Radiological and Hazardous Materials Committee in enhancing the state's preparedness and response capabilities for hazardous materials incidents; and

WHEREAS, the SERC is committed to fostering collaboration and ensuring that all relevant stakeholders are actively involved in efforts to improve hazardous materials preparedness and response in New Mexico;

WHEREAS, pursuant to NMSA 74-4E-4B(4), the SERC is tasked with reporting periodically to the radioactive and hazardous materials committee;

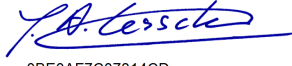

NOW, THEREFORE, BE IT RESOLVED, that the New Mexico State Emergency Response Commission directs the State Hazmat Coordinator to invite all members of the Radiological and Hazardous Materials Committee to all future meetings of the SERC;

BE IT FURTHER RESOLVED, that the State Hazmat Coordinator is directed to furnish any relevant hazardous materials documentation, including draft documents, to members of the Radiological and Hazardous Materials Committee upon request;

BE IT FURTHER RESOLVED, that the State Hazmat Coordinator shall work collaboratively with the Radiological and Hazardous Materials Committee on any efforts to update, modernize, and increase hazardous materials preparedness in the state of New Mexico, including the update and creation of statutes and administrative code;

BE IT FURTHER RESOLVED, that this resolution shall take effect immediately upon its adoption.

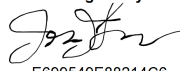

Approved and adopted by the New Mexico State Emergency Response Commission on this 14th day of June, 2024.
