## Overall Progress Narrative:

During this reporting period, DHSEM focused upon actions to move toward stand up of the Building Resiliency Center (BRC). These actions included: creating and formulating positions to staff the BRC and working with the State Personnel Office to get the positions posted (estimated timeline for posting is next quarter); identifying a location to house the BRC within the HUD identified MID area of San Miguel County; and finalizing the BRC Program Guide that will provide the operational framework in preparation to serve disaster impacted residents.

DHSEM received the fully executed grant award on July 29, 2025. On September 18, 2025, DHSEM's DRGR Action Plan was approved. On July 21, 2025, DHSEM submitted the Waiver Request to Exceed Public Services Cap per HUD's recommendation. The Waiver Request would allow the State to qualify under the Low to Moderate Area (LMA) national objective.

Per the last status update, the State was informed that the Waiver Request is pending approval from HUD headquarters. The approval of the Waiver Request is critical as DHSEM will not be able to provide the public services outlined in the HUD approved action plan without it.
